Notes:						
1. Face panel assemblies consist of the rigid polycarbonate panel and retainer hangbars.						
2. Face panel assemblies are ordered in addition to backlit advertising displays listed on SL3665.						
3. Panels that can not be made from a 5' x 10' sheet will be ordered as 0Z or 0W packets.						
4. Rigid panel: Polycarbonate material (translucent plastic-like material) is 0.118" thick.						
5. Decoration for face panel assemblies is ordered from SL-4013.
