Notes:

1. Depth of these non-backlit advertising/identification displays is 6" unless otherwise noted.
2. These displays are typically used on indoor scoreboards.
3. The lengths and heights listed can be combined to make additional display sizes.
4. Mounting hardware is not included unless preceded with *.

**This ad panel fits WR-2024 and WR-2025 scoreboards and contains Mtg hardware.
 ***This ad panel is 3-sided, fits the WR-2026 scoreboard, and contains Mtg hardware.

5. These displays are documented without decoration. See SL-4013 for ordering decoration.

****This ad panel has a horn.
 *^*This ad panel is split in multiple sections.
