

# SPECIFICATIONS: JUGS® SPEED INTERFACE™ RADAR GUN WITH TRIPOD, POWER SUPPLY, AND CONSOLE

JUGS® SI Radar Gun

RS-4L Power Supply

Tripod

Speed of Pitch is a popular option for many baseball/softball venues, and Daktronics offers several scoreboards, such as matrix and numeric displays, that display pitch speed. The Radar Gun Package (Daktronics Part No. A-1623), available from Daktronics, includes the JUGS® Speed Interface™ (SI) Radar Gun, a RS-4L power supply and a tripod with mounting brackets. The timing kit can be used for any sport where ball speeds are desired. Also required to operate the radar gun is a radar gun configuration kit.
