BB-3114 PRODUCT SPECIFICATION (CONTINUED)

ALL SPORT® 5500 CONTROL COLORSMART COMPATIBLE™ CONSOLE:

When used in conjunction with Daktronics basketball scoreboards, the shot clock display is controlled by the same All Sport® 5500 series control console that controls the basketball scoreboard. A hand-held start/stop reset switch is included.

CONTROL CABLE:

One-pair shielded cable of 22 AWG minimum is required.

HORN:

A vibrating horn sounds automatically when period clock counts down to zero or manually as controlled by the operator.

GENERAL INFORMATION:

Shot timer comes completely assembled with 100% solid state electronics housed in an aluminum cabinet. Scoreboard comes completely assembled. Mounting hardware supplied by customer. Specifications and pricing are subject to change without notice.
