4. Verify the name and URL are correctly showing as the Daktronics Field Service Portal at

http://www.daktronics.com/FieldServicePortal. Touch the Save or OK button to add the bookmark.

View your Bookmarks by choosing Bookmarks from the Action Overflow menu. Touch a bookmark to visit that page.

## Create Bookmark Icon on Home Screen

- 1. Add a bookmark by following **Steps 1-4** above.
- 2. View your Bookmark by choosing the Bookmarks command from the Action Overflow menu.
- 3. Long-press the bookmark thumbnail and choose the Add Shortcut command.
