

2015 DAKTRONICS SIGN COMPANY TECHNICAL TRAININGS

OUR TECHNICAL TRAINING CAN BENEFIT YOUR ENTIRE COMPANY BY:

- › Equipping your installers and freeing up your sales staff so they can keep selling.
- › Letting us train your new employees.
- › Resulting in faster, more successful installs.

WE OFFER TWO TRAINING LOCATIONS:

- › Regional seminars last one day with training on Galaxy® and GalaxyPro® displays. For locations, see back of this flier.
- › Brookings, SD, seminars last two days with Galaxy®, GalaxyPro®, and Fuelight™ display product training. Factory tour included.

WHAT DOES DAKTRONICS TECHNICAL TRAINING COVER?

We adapt each training to the attendees' needs, but general topics include:

- › Display types & components
- › Basic networking & communications installation
- › Software configuration
- › Troubleshooting fundamentals
- › Tips to save your valuable time

Get your technicians trained and rely less on our customer service!
If you do need help, don't forget about our convenient, online site:

www.daktronics.com/support

New this year, we'll provide a "Daktronics Factory Trained 2015" logo for you to use in your marketing materials.

HAVING A SERVICE EVENT?
Did you know?

60% of the parts
returned to Daktronics
have no issues whatsoever.

Save money and time by learning
how to diagnose service events in
the field.

*"My skill involving
servicing and
installation will
definitely benefit from
attending this seminar."*
