↑ Full file path and name needs to be filled out like the example above

Headshot needs file name needs to match the player's original headshot name and file needs to live in MAM > ESPN > LeagueAssets > NCAA > ActionShots

# Notes

Color 1 & 2 drive all the team colors on the insert graphics (Lowerthirds, fullscreens, tombstones, etc.)

- Color 3 is the scorebug background color.
- Color 4 is the font color on the scorebug.
- Color 5 is the logo background on the score update animation.

1&2 should already be set and usually doesn't change unless the school made the change.  
3-5 Should be verified before the start of each game.
