Notes

Lower Thirds

Template Name:

L3rd_Player_Info

Player: 1 V H 1-C A.J. Pierzynski

TeamLogo ALABAMA_256.png

FullName A.J. Pierzynski

Class SR

Position C

TeamName ALABAMA

Line_1 Player Information goes on this line

Select "V" for Visitor Team or "H" for home team. Then select a player from the dropdown. Use the arrow underneath the player name to expand the player information. For Class use a 2 character abbreviation for example "SR" for senior class. Line_1 is for manual input of information.

Lower Thirds

Template Name:
L3rd_Player_Info

Number of stats values accepted is 3-5. The section under number of stats are the category of stat you want to display.

Select "V" for Visitor Team or "H" for home team. Then select a player from the dropdown. Use the arrow underneath the player name to expand the player information. For stats you can manually input the value or use stat tags. For stat tags, use curly brackets. To show goal use "{G}". The top part of the grid will indicate the stat tags that can be used.

Lower Thirds

Template Name:
L3rd_Team_Info

Select "V" for Visitor Team or "H" for home team. Or select a team from the dropdown. Use the arrow underneath the team name to expand the team information. For stats you can manually input the value or use stat tags. For stat tags, use curly brackets. To show goal use "{G}". The top part of the grid will indicate the stat tags that can be used.

Template Name:
L3rd_Generic_Info

Manually input a generic logo from anywhere on your system. If the file gets moved you won't be able to reference that logo again.

Lower Thirds

Template Name:

L3rd_Talent_Interviewee_IDs 1 Lines

INFORMATION GOES HERE

“Top” data field will reposition the graphic from the bottom to the top of the screen. Inputting any value in that Top line will make it go to the top. If the line is empty then it will be displayed at the bottom.

Template Name:

L3rd_Coming_Up_Promo

Template Name:

L3rd_Talent_Interviewee_IDs 2 Lines

Here we can display 1 or 2 talents. To display 2 just input any value in the Dual Talent Line or leave empty to only show one.

Template Name:

L3rd_GameLocator

Fullscreens
