Scorebug

Scorebug Notes:

Bring up this panel on the left under settings and team edits.
Team colors on the scorebug use Color 3 and Color 4.
Team records are on the last field on the left.
Make sure your logos aren't _1000.png anymore.
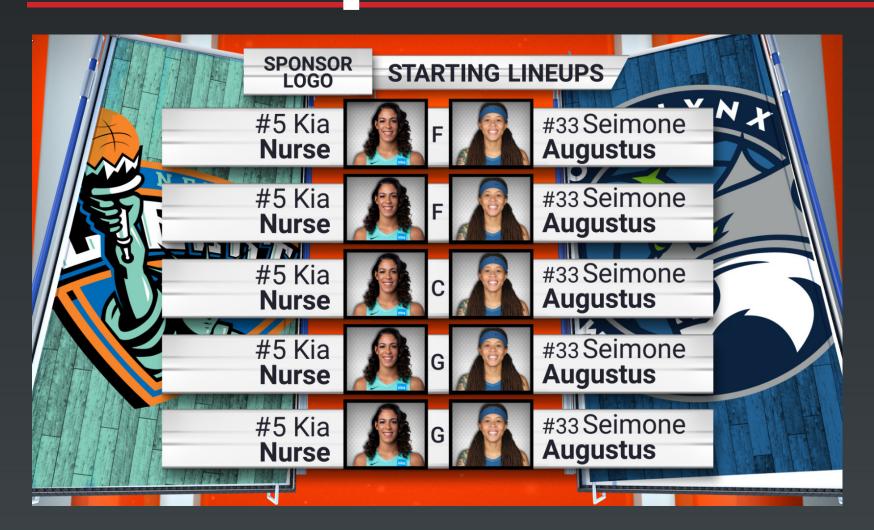

Scorebug Stat Sliders

Scorebug Stat Slider Notes:

Player Popup - Pops up over the bug. Use the field entry on the right to type in the stat tags for your stats to display.

Player Inner - This stat covers the bug. Use the first field to enter your stat tags and use the second field for the top popup.

Team Inner - This stat covers the bug. Use the first field to enter your stat tags and use the second field for the top popup.

Team Comparison Stat - This stat pops over the bug. Use the stat dropdown to select the stat to display on the popup.
