

# ADVANTAGES OF DAKTRONICS GYMNASIUM SCOREBOARDS

## LOCAL ON-SITE SERVICE

Parts are kept in stock at regional office locations

## FIVE YEAR 100% PARTS WARRANTY

Other companies don't cover radios, connectors, horns or switches for 5 years.

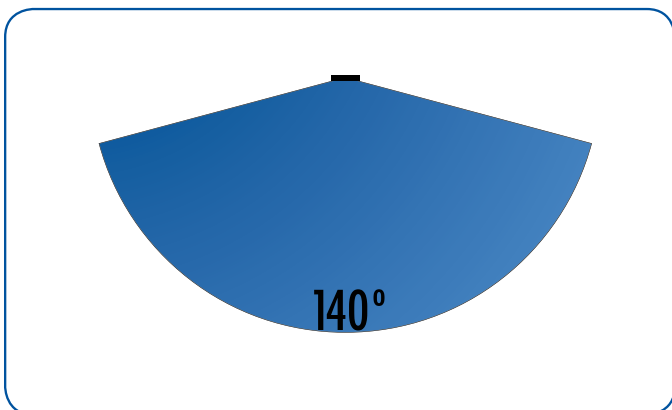

## TUFF SPORT SCOREBOARDS

Daktronics scoreboards can withstand impacts from air filled balls traveling in excess of 40 mph

## ALUMINUM DIGITS WITH METAL SCREWS

Other companies use plastic digits and plastic pegs.

## WIDER VIEWING ANGLES

Viewing angles makes a difference to those not directly in front of the display. Daktronics delivers industry leading viewing angles.

## EXCHANGE PROGRAM

Daktronics factory exchange program delivers parts the next day.

# ADVANTAGES OF DAKTRONICS GYMNASIUM SCOREBOARDS

## **RADIO AUTOMATIC SWITCHOVER**

If radio control is not communicating properly, the system automatically switches to hard wired.

## **ALL PURPOSE CONTROLLER**

Only one controller is needed to enter and display statistics such as players' FOULS and POINTS.

## **AUTO MEMORY**

The All Sport can store game information without using batteries in case of power loss.

## **WRESTLING STATISTICS**

The All Sport keeps track of INJURY TIME and BLOOD TIME for both wrestlers during the match.

## **BASKETBALL STATISTICS**

The All Sport keeps track of all players' POINTS and FOULS during the basketball game.

## **WRESTLING STATISTICS**

WEIGHT CLASS and TEAM SCORE for each weight class can be displayed on stats panels.
